

## **FTG 2018 – 19 SCHEDULES & REQUESTS**

Game times are posted by Wednesday evening or on Thursday at 9 am. A final schedule notice will be emailed to all teams on Friday. Please check your game times in case of changes. Teams will be notified by email regarding schedule changes.

Requests should be made upon registration and we will do our best to honor them. Once the schedule is in process, it may not be possible to accommodate new requests.

Teams can also go to the website and look under schedules as Exposure Events is updated and posted to the website. This will show the facilities being used for the event and the divisions assigned to those facilities

Team lists will not be routinely mailed for review.

We have also partnered with Sports Thread to help the athletes find a college roster sport and for all teams' parents and athletes improve communication of our events. To learn more about Sports Thread visit the main menu.
