

FTG 2017 – 18 SCHEDULES & REQUESTS

Game times are posted by Thursday at 9 am and a Final Schedule notice will be emailed to all teams on Friday. Please check your game times in case of changes.

Team lists are emailed when they are completed (Tuesday).

Teams can also go to the website and look under schedules as Exposure Events is updated and posted to the website. This will show the facilities being used for the event and the divisions assigned to those facilities

<https://www.forthegamesports.com/schedules/>

We will send an email so that teams will know that the schedule is now available. Teams can also choose to find their schedules directly from Exposure Events. Just type in the name of the event and it can be found that way as well. Here is the address to Exposure Events <http://basketball.exposureevents.com/>

New this year, FTG will have a dedicated APP for all events courtesy of Exposure Events. You will be able to get game times, scores and register for upcoming events.

Requests should be made upon registration and we will do our best to honor them. Once the schedule is in process, it may not be possible to accommodate new requests.
